Offered by the manufacturer  
of Dr. Sage's Cough  
Remedy, for a case of  
CATARRH in the Head which  
they cannot cure.

**SYMPTOMS OF CATARRH**—Dull, heavy  
headache, obstruction of the nasal passages,  
discharge falling from the head into the throat,  
sometimes profuse, watery, and cold others,  
thin, dry, and hot. The eyes are weak and watery; there is  
a ringing in the ears, deafness, hacking or  
coughing to clear the throat, expectoration of  
offensive matter, especially a yellowish-green  
mucus. It is coughing and hoarseness in  
several forms; the breath is offensive; smell and  
taste are impaired, there is insensibility, dizziness,  
with mental depression, a hacking cough  
and general debility. Only a few of these  
symptoms are sufficient to indicate the presence of  
any disease. Thousands of cases annually,  
about one-fifth half of the above symptoms,  
result in consumption and end in the grave. No disease is so common, more de-  
structive and dangerous, or less understood by physi-  
cians.

By its mild, soothing and healing properties,  
Dr. Sage's Catarrh Remedy cures the worst  
cases of Catarrh, "Colds in the Head,"  
Coryza, and Catarrhal Headache.

Sold in druggists everywhere; 50 cents.

"Untold agony from Catarrh."

Prof. W. H. Maxson, the famous mesmerist,  
of Albany, N.Y., writes: "Some ten years ago I  
suffered untold agony from catarrh. My family physician gave me up as  
inservable, and said I must die. My case was  
one of a bad one, and I took Dr. Sage's Remedy,  
and my mind became so bright, I could  
barely speak above a whisper. The morning  
I was coughing and clearing of my throat would  
give me strange fits. By the 1st of Mr. Sage's  
Cough Remedy, in three months, I was a well  
man, and the cure has been permanent."

**Constantly Hawking and Spitting.**

THOMAS J. BUSHING, Esq., 2002 Pine Street,  
St. Louis, Mo., writes: "I was a great sufferer  
from catarrh for three years. At a call  
home, I was told I was constantly hawking  
and spitting, and for the last eight months could  
not breathe through the nostrils. I thought  
nothing could be done for me. Luckily, I was  
advised to Dr. Sage's "Cough Remedy," and  
now have a well man. I believe it to be the  
very sure remedy for catarrh now manufactured,  
and one has only to give it a fair trial to  
experience astounding results and a permanent  
cure."

A complete Treatise on Catarrh, giving valuable  
information on the hawking, diet and other matters  
will be mailed, postpaid, to any address, on receipt of a two-cent postage stamp.
